Prince Nicolo Boncompagni-Ludovisi who recently died was a top authority in Rome and part owner of the Italian Mafia. Prince Bante Boncompagni-Ludovisi has now taken over his family's criminal enterprise and he is a dangerous psychopath. Prince Luigi Boncompagni-Ludovisi and Prince Alessandrojacopo Boncompagni-Ludovisi are also members of this family and Alessandrojacop runs the Fiorano Wine Company which he uses for trafficking human blood. Prince Francesco Boncompagni-Ludovisi is the son of the recently deceased Prince Nicolo. Prince Bante was arrested for assaulting his wife in Newport, Rhode Island. Prince Francesco has been arrested for tax evasion and commercial fraud in recent years and in 1992 Prince Francesco was arrested for running a billion dollar credit card scam. The mafia have evolved their crimes to electronic fraud, identity theft, and credit card fraud and make billions per year doing this. Prince Francesco is a blood drinking psychopath and a Nazi propagandist. The Ludovisi coat of arms uses a golden dragon as a symbol and their Pope Gregory XIII's coat of arms is displayed at the Vatican Museum. Gold and dragons are symbols for imperialism and the gold dragon is also on the Greek royal family's coat of arms. The Ludovisi family's ancestors were likely the Isaurian Dynasty of the Byzantine. Sauri is an Italian word for lizard. Gold finances empires. Pope Gregory XIII or Ugo Boncompagni purchased the Duchy of Sora for his family to govern over. The Boncompagni family frequently married in with the Sforza and Chigi families and through marriage with the Ludovisi family established the current Boncompagni-Ludovisi bloodline. The Ludovisi family ruled over Venosa. The Casalesi Camorra Mafia clan in Italy have influences in Sora and one of their factions was ran by a man named Raffaele Venosa. The founder of the Casalesi Mafia Clan was from Caserta right near Sora. Prince Nicolo Boncompagni-Ludovisi is an owner of the Casalesi Clan which create a defense around Rome and a defense for the Casamonica and Magliana Mafias. The Italian-American rapper Robert Salese is a member of the Casalesi clan and he works as a defense for the Italian American rapper G Fella is a made man in the Bonanno crime family and named G Fella for Goodfella. The Casalesi Mafia are believed to be one of the wealthiest Camorra clans. Police have seized billions of their assets and estimate their overall earnings around 30 billion. These larger earnings go to their owners. The name Bon-Compagni means "Good Company" or "Good Fellows" since Compagno is translated to fellow in English. Boncompagni is where the term Goodfellas derives from which means a gangster or made man in the Italian Mafia. They made a major Hollywood movie glorifying the Italian Mafia called Goodfellas. The Boncompagni-Ludovisi family are

part owners of the Bonanno crime family in New York City and have used the former San Jose crime family in California to set up some criminal operations in Texas. Vincent Badalamenti is a top boss of the Bonanno crime family and he is extremely evil. The Fertittas are a Sicilian-American billionaire family that married with the Galveston crime family of Texas and they are still a crime family. Tilman Fertitta was born in Galveston and lives in Houston. He is worth about 5 billion and owns Golden Nugget Casinos, Landrys, and the Houston Rockets. Tilman Fertitta manages James Harden a psychopathic gang stalking commander.

Prince Niccolo married Rita Jenrette and she is an American actress and real estate executive who sold the General Motors building to Donald Trump and she sued Simon Property Group for not receiving her entire commission. The owner Melvin Simon died the same year she married Prince Nicolo. Her family is from Texas and they own an oil company and are considered ancestors of the American Founding Fathers. Prince Nicolo Boncompagni-Ludovisi has been given authority over Texas through Rome's network of power and is the one commanding Infowars and Alex Jones. Alex Jones former father in law is Edmund Lowe Nichols who worked at the US embassy in Rome and was knighted by the Italian president. Alex Jones is an FBI COINTELPRO agent operating under the FBI's Project Megiddo which was a report about apocalyptic cults and militias and their response to Y2K. Alex Jones did a live video broadcast on Y2K claiming that the Russians were attacking, nuclear plants were being shut down, and basically claimed that society was collapsing. Former FBI Director Louis Freeh wrote Project Megiddo and is a devout Roman Catholic and US-Italian dual citizen. Alex Jones has had the Knight of Malta Pat Buchanan as guest on his show. Christopher Monckton the 3rd Viscount Monckton of Brenchley is a frequent guest on Infowars and is a Knight of Malta, Knight of the Order of Saint John, and was a member of the Roman Catholic Mass Media Commission. Alex Jones went from being a fake Libertarian that told some truths into becoming an extreme right wing fascist pushing political division. Donald Trump was Jesuit educated from Fordham, Eric Trump was Jesuit educated from Georgetown, Trump is connected with Erik Prince and Joseph Schmitz and they are Roman knights and Blackwater mercenary owners, and Trump has multiple connections to the Italian Mafia. A woman named Sherrine Garland is a murderous gang stalking commander in my region and she works for the Boncompagni-Ludovisis and Massimos. Sherrine Garland often receives her payments for gang stalking through fixed gambling wins at Mohegan Sun casino which is infiltrated and basically run by the Italian Mafia. Her daughter Victoria Garland is another ruthless gang stalker that works under Princess Vittoria Colonna. The Colonnas and

Boncompagnis have recently intermarried. Sherrine Garland is a relative of the Roman Catholic politician of the 19th century Augustus Hill Garland who was connected with the Freemason Albert Pike. The name Garland derives from the Italian town of Ghirlanda in Tuscany just as the Compagnis were from Florence, Tuscany. Lisa Haven is a YouTube shill that constantly promotes Armageddon and spreads fear of societal breakdown. Lisa Haven is a murderous sadist and an agent of Project Megiddo who hides behind Christianity and pretends to be against the NWO. Christopher Greene from AMTV is a well paid shill and insane fear mongerer as well as an FBI Project Megiddo agent. 707AL is a Reddit troll that is slandering me in defense of Alex Jones and has posted false information about me online calling me a Luciferian. The Boncompagni-Ludovisis claim to be related to the Saxon royals which use Nazi propaganda as a defense. Tom Byrne is a major Nazi propagandist working under the criminal Prince Francesco Boncompangi Ludovisi. The House of Boncompangi-Ludovisi is pure evil and has been using Infowars and other COINTELPRO controlled Alternative Media to try and instigate a civil war in the United States and bring about their Armageddon.

Prince Bante Boncompagni-Ludovisi the wife beater is the head of this family and an owner of the Bonanno crime family and Casalesi Mafia clan and a part owner of the Galveston crime family which should now be called the Fertitta crime family. Prince Bante has oversight and authority over the Black Nobility's influences in Texas. Prince Bante is a manager of Infowars and Alex Jones. The Ceritto crime family of San Jose, California have moved its operations into Texas. The Bonannos and Cerittos have a documented alliance. The Boncompagnis are also part owners of the Galveston crime family now called the Fertitta crime family and their Texan operations.

The attached analysis, entitled **PROJECT MEGIDDO**, is an **FBI strategic assessment** of the potential for domestic terrorism in the United States undertaken in anticipation of or response to the arrival of the **new millennium**.

For over four thousand years, MEGIDDO, a hill in northern Israel, has been the site of many battles. Ancient cities were established there to serve as a fortress on the plain of Jezreel to guard a mountain pass. As Megiddo was built and rebuilt, one city upon the other, a mound or hill was formed. The Hebrew word "Armageddon" means "hill of Megiddo." In English, the word has come to represent battle itself. The last book in the New Testament of the Bible designates Armageddon as the assembly point in the apocalyptic setting of God's final and conclusive battle against evil. The name "Megiddo" is an apt title for a project that analyzes those who believe the year 2000 will usher in the end of the world and who are willing to perpetrate acts of violence to bring that end about.

**Prince Francesco Maria Boncompagni Ludovisi arrested, on charges of commercial fraud and tax fraud, for a sum exceeding 10 million euros. Son of Prince Nicolò and Princess Benedetta Barberini Colonna di Sciarra, heir of the famous Roman family that also includes popes in the family - from Gregory XIII to Gregory XV - Boncompagni Ludovisi, 52, had already had trouble with justice in the early 1990s.**

**Don Francesco Maria Boncompagni Ludovisi**

The descendant of the rulers of Piombino and of the Popes Gregorio XIII and Gregorio XV would be the **leader of a gang of swindlers, creator of the umpteenth billionaire "bin" with credit cards.** A high-class electronic scam that would have democratically supported the pure lineage of the Boncompagni Ludovisi (dukes of Monterotondo, marquises of Populonia and Vignola, counts of Conza, Neapolitan patricians, of Ravenna, Bologna and Orvieto, nobles of Rieti, Foligno and Jesi and via listing on over two pages of the heraldic tribune) with a rich family of Roman traders.

The accusations: **criminal association, aggravated fraud, credit card fraud.** A truly princely bin, designed at a table and almost unassailable that **has plundered hundreds and millions of millions to the institutions of all the most widespread credit cards: Visa, American Express and Diner's in the front row.** Over **two hundred thousand counterfeit and fifty thousand blank cards were seized by agents** under the command of assistant chief Nicola Cavaliere and the head of the anti-fraud, Michele Roccheggiani, a young computer enthusiast official. The scam mechanism was something diabolical and followed two different strategies.

Tom Byrne is a paid Nazi propagandist who vaguely blames Israel and Jews for everything, barely names any real Zionist criminals, and never exposes other criminals like the European royals and Black Nobility. Tom Byrne is a fake white person with Scythian rapist genetics who gets bankrolled by Court Jews who finance his propaganda, slander, and lies and often this devil slanders me in defense of Zionist criminals which I expose that he won't. Tom Byrne is a Nazi and him and his Wiccan wife's motivation is burning children alive or holocausting children. They are sadists.
